

A woman with her eyes closed is sitting in a bright green tufted leather chair. She is wearing large black over-ear headphones and a yellow and white checkered long-sleeved top. Her right arm is raised behind her head, and her left hand is holding a silver mobile phone. A white blanket is draped over her lap. To her left is a small white round table with a white vase containing several purple flowers. The background is a light-colored wall with a window. The entire image is framed by a light green border.

Think you've got it all?
