

Who are we as the Association?

We are more than 900 spiritual ministries worldwide, with more than 650 in the United States and growing. We are many, and we are also one—united as a whole—as one movement. If you are involved in a Unity ministry, you are part of the Association.

Aligned in harmony, we act with a singleness of purpose to transform ourselves, our ministries, and our world.

Our Vision

Centered in God, we co-create a world that works for all.

Our Mission

We create and support vibrant, diverse, spiritual leaders and communities that foster transformation and inspire people to make a positive difference in our world.

Our Home Office

We serve enlightened leaders and thriving ministries transforming our world.

Thank You!

As a non-profit organization, our Association home office's work is made possible by tithes, freewill offerings, and grants from member churches, individual donors, and foundations. As church members tithe to their home congregation, so, too, do we invite our member ministries to tithe to our Association. These gifts are the main support for providing our programs to help ministries, leaders and individuals thrive in Unity. Without you, we would cease to exist.
