# *Practical Christianity*

A Global Movement

**A**s a member of the Association of Unity Churches International, this community is a part of the worldwide Unity movement. We are also affiliated with Unity School of Christianity, publisher of the *Daily Word* devotional magazine. Our primary teacher is Jesus, whose message is love—love of God, love of others, and love of ourselves. We are committed to encourage and inspire spiritual and personal growth through practical, relevant Christianity and loving service.

## *Prayer* for Protection

The Light of God surrounds me.

The Love of God enfolds me.

The Power of God protects me.

The Presence of God watches over me.

Wherever I am, God is.

# *Unity's* Basic Beliefs

1. God is absolute good, everywhere present. Many paths lead to the one, loving God.
2. Our essence is of God, and therefore human beings are inherently good. This God essence, called the Christ, was fully expressed in Jesus.
3. We create our experiences by the activity of our thoughts. Everything in our lives has its beginning in thought.
4. Prayer and meditation are important ways to heighten our connection with God.
5. Knowing and understanding Unity principles is not enough—we must also live the truth that we know.
