ARE YOU LOOKING FOR AN "IN PERSON" LEARNING EXPERIENCE?

We invite you to consider our Spring, Summer and Fall On-Campus SEE Sessions!

Anyone who has visited Unity Village understands how the beautiful grounds, comfortable living accommodations, excellent library, and friendly staff at the Village can help turn a week of study into a memorable spiritual experience. If you'd like to experience the Unity Village environment, and if you'd enjoy working in "live" classes with like-minded students and engaging faculty members, we invite you to register for one of our On-Campus Spiritual Education and Enrichment Sessions.

Beginning in late March, mid-July, and mid-October each year, SEE offers three one-week On-Campus Sessions (see the schedule on this page). Students interested in becoming licensed Unity teachers or ministers can earn up to 40 SEE credits during each session. Students who are not interested in credentialing may enjoy a variety of courses in Prayer, Metaphysics, Bible, and History of Unity and New Thought without being concerned about passing tests or completing assignments.
